We are pleased and honored to welcome Bill in La Rochelle to share his trance healing knowledge and experience over a 4 days training session to help us develop our own mediumnic skills, practice different trance states and trance healing!

A translator will translate everything to French for us during the training.

Bill, Spiritualist since the last 40 years, Medium for more than 30 years, and Minister of The Spiritualist National Union, will share his knowledge and experience in seminars he will be conducting with love and humor in many European locations, in order to help everyone in their personal and spiritual development, as well as to reinforce the psychic and mediumnic capabilities of all the participants. Among other things, Bill works at the Arthurfindley College in UK.
